Re: International Travel 2020

Due to the continued spread of Coronavirus/COVID-19, the decision has been made to cancel or postpone all international travel for the spring semester of the 2019-2020 school year. The international spread of the virus is changing hourly, countries have varying levels of infrastructure, and, as many of you know, international reporting is inconsistent. Tri County Health Department is concerned about group travel being nimble enough to alter plans if/when travel guidelines, including quarantine, change while students are away.

Based on guidance from the Pandemic Planning committee, I am prioritizing student and staff health and wellness over travel.

Please work with your travel organizer to postpone or cancel the trip you have planned for spring break.
