TECHNICAL THEATRE CREWS LIST

Thank you for an overwhelming amount of interest to be on tech crew for Freaky Friday the Musical this fall. Please see the attached page for the complete list of the crews. All crews are to report to the theater immediately afterschool on Monday August 30th. We will have a quick welcome and briefing followed by a full cast and crew read through of the script. Below is calendar layout per crew for the first week. Calendars for the overall tech will be posted online and on the call board. Any student listed and still wanting to do crew will need to have the permission forms signed and returned to Mr. Ely before first build day on September 7th.
